

## 21st Annual Great Pumpkin Open, Oceana Golf Club October 20, 2012

Even with over 5 Inches of rain over the previous two weeks, The Great Pumpkin showed her ugly self. With the temperatures in the Low 50's, and rain expected to stop by noon, "Witch" it did because the Great Pumpkin was in charge. MSU vs. U of M match up day was on the tube and the Chili was in the roaster, Pulled pork sandwiches and all the desserts you wanted. The course was set for a Five and one half hour round for the 41 two-person teams but turned into a 7 hour and 10 minutes. There was a little bit of everything for everyone. Long holes short holes, but one thing was consistent, chipping and putting are key here at Oceana. The scores ranged from (70) by the Newly Crowned Champions Rick Brodrick and Todd Riker and up to 144 for the eighteen-hole layout. The golf course is set up in a cross-country style layout, with different requirements once the players are on the green. The first nine holes are played in a two-person scramble and the second nine holes are alternate shot. Par for the course was 65 playing 3868 yards.
