

## 22nd Annual Great Pumpkin Open, Oceana Golf Club October 19, 2013

Even the weather prognosticators could not scare off The Great Pumpkin. Rain was being predicted for days leading up to this season ending showdown between the golfers and the golf course. The temperatures in the Low 50's, and rain expected but very little showed up, the Chili was in the roaster, Pulled pork sandwiches and all the desserts you wanted. The course was set for a Six hour round for the 45 two-person teams. There was a little bit of everything for everyone. Long holes short holes, but one thing was consistent, chipping and putting are key here at Oceana. The scores ranged from (69) by the Champions Corey Parmalee and Shawn Pranger and up to 142 for the eighteen-hole layout. The golf course is set up in a cross-country style layout, with different requirements once the players are on the green. The first nine holes are played in a two-person scramble and the second nine holes are alternate shot. Par for the course was 63 playing 3540 yards.
